Profile

A cybersecurity student eager to apply my technical and problem-solving skills in IT and cybersecurity. I enjoy learning about security challenges and cybersecurity tools and find solution to such vulnerabilities. I'm looking forward to work with the organization and members who share the same vision.

Education

2024 – present	Bachelors in Networking and IT Security <i>Islington College</i>
2021 – 2022	Higher Secondary (+2) <i>VS Niketan College</i> GPA: 3.50
